SEATING

**artopex**<sup>®</sup>  
the art and the purpose

### REMARKABLY ORDERLY

Storage is easy for Flashback using the storage cart for stacking models. And simply flip the seat to allow nesting models to be stowed easily, out of sight.

### ACCOMMODATING DESIGN

The beam seating system is the solution for all types of waiting rooms. With configuration choices of 2, 3 or 4 places – plastic or upholstered seat and back, table and armrest options – the Flashback beam is exceptionally efficient.

### MULTITUDE OF OPTIONS

With a multitude of options and configurations, Flashback is your go-to chair in the workplace.

### EXCEPTIONALLY USEFUL

Flashback's versatility makes it the essential solution for the entire work environment. In office, training room, classroom, break room, reception and cafeteria settings, Flashback delivers.

*Designing, manufacturing, advising, planning  
and supporting: that's the art that  
distinguishes our purpose at Artopex.*
