MODULAR WALL SYSTEM

artopex®

the art and the purpose

WHAT IS ESSENTIAL IS INVISIBLE

Transparency and purity of lines. Silence and light. The modular walls of the Sky 700 Collection offer incomparable performance and utility, adding a whole new dimension to your space.

SUPERIOR SOUNDPROOFING

Exceptional performance takes exceptional focus. That's something the Artopex team fully understands. The Sky 700 collection blocks noise issues – so your best ideas can flourish in the clear light of day.
