BLITZ - SIMPLY OUTSTANDING

Blitz streamlines your choice while providing all the benefits of a superior ergonomic chair. With its breathable mesh backrest and comfort options such as a headrest and lumbar support, Blitz blurs the line between work and relaxation.

The ingenuity of the automatic seat-tilt adjustment makes the perfect fit virtually intuitive.

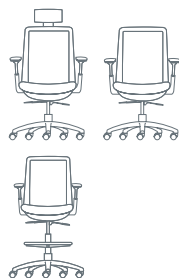

Elegant and beautiful, the cast aluminum back accent raises Blitz to a perfect union of comfort and design.

Blitz shines in its many forms - executive, multi-task, conference and stool.

*Designing, manufacturing, advising, planning
and supporting: that's the art that
distinguishes our purpose at Artopex.*
