

Alake yourself at home with Bjord.

The collection

In addition to promoting relaxed postures, Fjord's design promotes peace of mind. The chairs are available in two backrest heights (high or medium) with a polished aluminum cross base or a tubular metal base available in a variety of colors. The headrest integrated into the high backrest provides increased privacy, surrounding the user in a comfortable, personal space. Enhance the residential ambiance of your space with a footrest and the Fjord tables available in three models and a variety of colors.

e1. Fjord lounge chair, medium backrest, tubular base, with or without writing tablet.

e2. Footrest tubular base.

e4. Fjord lounge chair, medium backrest, cross base, with or without writing tablet.

es. Footrest cross base.

e6. Fjord lounge chair, high backrest with headrest, cross base, with or without writing tablet.

e7. Fjord tables (3 models) tubular base.

In nature, the deep waterway of the fjord is formed in ancient glacier-carved valleys where ocean water now flows, enclosed by steep rock cliffs.

The coexistence of the angular forms and organic curves of this natural wonder creates a geometric duality that is embodied in the design of the new Fjord lounge seating.

Fjord lounge chair, high backrest Cross base With its welcoming appearance, Fjord lounge furniture embodies a sense of calm and well-being and responds to the distinct values of today's workforce.
