Worksurface Freestanding & Universal Protective Screens

These freestanding screens were developed for today's new reality. They represent a universal solution which can be adapted to different working environments. Easy to install and freestanding, the screens can be placed on workstations surfaces, reception desk or any other type of surfaces that requires a physical barrier between individuals.

Details and finishes

Clear acrylic, easy to clean.

Screens can be fixed non-permanently with Velcro.

Anodised aluminium and steel foot, Silver finish.
