Productivity, in your image

A place for productivity, creation, and collaboration, meeting rooms can take many shapes to meet the constantly evolving needs of the workplace. The Take Off Conference collection offers a wide range of tables and storage modules to create inspiring spaces.

Meeting table

Willow Grey laminate round surface with Silver enamel tubular leg and round base plate.

Furniture

Frill chairs, White shells.

Creative space

Build the ideal space for brainstorming sessions and creative meetings. Including wall panels with a tackboard and a multimedia screen promotes discussion and the creation of innovative concepts.

Meeting table

Fenix Matte Black laminate rectangular surface and Black enamel folded metal corner legs.

Furniture

Olé chairs, White, Sesame and Black shells, White laminate storage, Sky architectural walls and laminate wall panels and tackboard.

Table collection

The different shapes and heights of the Take Off Conference table gives you the freedom to design collaborative areas adapted to the needs of different group sizes. Match the legs with your chosen finish to create a meeting room that harmonizes with your layout!

Power up your exchanges

The integration of built-in multi-outlets ensures efficient power cable management. The result: a functional space that accommodates technology.

Meeting table

Sesame laminate rectangular surface and Polar White enamel folded metal corner legs.

Furniture

Dotcom chairs and Polar White enamel metal lateral files.

Synergy

The Take Off Conference collection is ideal for cafeteria spaces. Thin and discreet table legs allow flexible chair organization.

Conference and meeting tables

Ginger Root laminate rectangular and square surfaces and Black enamel "T" tubular metal legs.

Furniture

Frill chairs and stools, Black shells.

Classic look

Opt for a table with an architectural base and add some prestige to your meeting rooms. Timeless and classic, this base will set the tone for a sophisticated atmosphere.

Conference table

Carbon laminate surface with rectangular architectural bases .

Furniture

Vortex Mesh chairs.

A custom space

Modular Take Off Conference tables can be a collaborative add-on to an open space or used as a temporary workspace. The bistro height of this "Cage" base table encourages working standing up, quick discussions, and impromptu meetings.

Bistro table

Maritime Maple laminate square surface and Polar White enamel "Cage" base.

Furniture

White laminate Crema stools, Abyss enamel metal files and laminate wall panels with shelves and tackboard.

Pure elegance

Up to 192" in length, standard conference tables can welcome many participants during formal meetings. The aesthetics of this table's Fenix Matte Black combines elegance and timelessness.

Conference table

Fenix Matte Black laminate surface with rectangular architectural bases.

Furniture

Vortex Mesh chairs.

Sharing ideas

Socialization areas break up the rhythm of traditional offices and offer professionals a place for spontaneous meetings and collaboration. Integrating a Take Off Conference table into these spaces encourages knowledge-sharing and optimizes the emergence of new ideas.

Conference table

White laminate rectangular table with Black enamel tubular legs and round base plates.

Furniture

Frill chairs, Black shells and White laminate Crema stools.

Collaboration for better creation

Integrating Take Off Conference furniture creates practical environments where your teams will stay motivated and inspired. The modular table, with a clean design and natural wood legs, gives rise to a limitless creative space.
