AXEL

A solution for open spaces

General Highlights

1

Axel offers innovative workstation configurations that naturally combine individual and collaborative work.

2

Pavilions allow to design meeting zones, respite rooms, private office, etc.

3

The extended choice of finishes (laminate, felt, acrylic and fabric) provides high design flexibility.

4

Ambient noise management is improved with the acoustic fabric and felt tiles, and the slated ceilings with acoustic felt.

5

Axel offers efficient electrical wiring and cable management.

6

A new Grade A fabric card, available at competitive prices, is now offered to customize tiles.
