

Dotcom
Office Seating

artopex®

The Dotcom office chair provides many options for customization from a choice of ergonomic components and adjustment mechanisms. With the Ultra-Flex® option, your comfort is ensured throughout the day as this technology eliminates pressure points and encourages blood circulation. Dotcom is also available in executive, stool and visitor models.

Designed with a moisture-wicking fiber and a high-density molded polyurethane foam that can withstand intensive use.

Discover the comfort of an upholstered seat with a "waterfall" front.

Tailor your chair with the seat sliding option and ratchet back height adjustment.

Available in 4 seat widths (narrow, standard, large and x-large) and 4 backrest heights (low, medium, director and high), suitable for a variety of body shapes and sizes.

Customize the Dotcom chair with a choice of fixed and adjustable arms.

Choose from a variety of bases.

Choice of mechanisms with specific functions that promote comfort and an ergonomic position.
