## General information

DESCRIPTIONS

The Lockers series offers a variety of personal, secure storage solutions that can be used in a variety of contexts.

71" high lockers can be grouped along walls to create locker spaces.

40" high lockers and tops (sold separately) are used to create locker islands.

Lockers 29" and 44" high fit perfectly with shared benching tables from the Take Off collection.

### MATERIALS

#### Lockers

The box (top, side, back and kick plate) and the locker doors are made of  $\frac{1}{8}$ " (17.5 mm) thick pressed wood. The edges of these panels is  $\frac{3}{32}$ " (2.5 mm) thick PVC in a color that matches the laminate. The lockers have full length kick plates aligned with the doors.

#### Corner module

The front of the corner modules is made of  $\frac{1}{8}$ " (17.5 mm) thick pressed wood and edged in  $\frac{3}{32}$ " (2.5 mm) thick PVC with a color that matches the laminate.

#### Tops

The top of the lockers for the shared benching tables and the tops sold separately are made of 1" (25 mm) thick pressed wood. Tops can be ordered in either Thermally Fused or High Pressure Laminate. Add  $\frac{1}{8}$ " (1.6 mm) to the thickness for High Pressure Laminate surfaces.

The tops of lockers are edged in  $\frac{3}{32}$ " (2.5 mm) thick edge banding in a color that matches the laminate.

### LAMINATE FINISHES

The available finishes are divided into 6 categories:

- The "Surface" finish (applied to the 1" surface).
- The "Edge Banding" (1" surface contour).
- The "Base" finish (applied on the sides and back of lockers, and the corner modules).
- The "Door" finish (Door 1 and Door 2)
- The "Divider" finish

Refer to the product description and to the choices of finish, for more details see p.12 and 13.

### WOODGRAIN DIRECTION

#### Tops

The woodgrain runs parallel to the longest side of the surface.

#### Sides, back, doors and fronts

The woodgrain is positioned vertically on the sides, the back, the front of the corner module and the doors.

#### Kick plate

The woodgrain is positioned horizontally on the kick plate.

### ASSEMBLY AND HARDWARE

Lockers require no assembly upon delivery except for levelers.

Levelers are adjustable from the inside, by removing the bottom of the locker.

Pre-drilled holes are located on the inside of all lockers to allow them to be screwed together when placed side by side.

### NOKI ELECTRONIC LOCKS

All the lockers with doors are equipped with the Noki electronic lock.

The Noki lock is a simple and efficient locking system.

- The combination automatically resets after each use.
- A forgotten code, an absent user... use the master key. An authorized person may also obtain a master code from Artopex.
- After four attempts to open with a wrong code, a brief alarm sounds.
- Powered by a battery (CR2032 included) and easy access to change the battery.

#### USER

##### PROGRAM YOUR PERSONAL CODE

- 01** Enter a 6 digit code and turn the lock button to lock. Memorise this code, it will be valid for one use only.
- 02** Re-enter the same 6 digit code again and turn the lock button to unlocked.
- 03** **FORGOTTEN CODE**  
Contact Artopex technical support and obtain a master code, unique to your Noki lock.

#### MANAGER

##### MASTER KEY OPTION - INDEPENDENT MANAGEMENT

#### MASTER KEY

- 01** **MANAGEMENT**  
Obtain one or more identical master key for use by authorized personnel.
- 02** **FORGOTTEN CODE**  
Unlock and reset the lock to its original code 1-2-3-1-2-3 by inserting the master key.

### LOCKERS

Assembled lockers are available in a variety of configurations and with the following characteristics :

- Depths: 14" or 18"
- Widths: 12", 24", 36", 48" or 60"
- Heights: 29", 40", 44", or 71"
- 1, 2, 3 or 4 levels of lockers
- 1" tops in Thermally Fused or High Pressure Laminate
- With doors, open or open on bottom
- Doors opening on the left or the right

### DOORS

Doors have hinges that allow an opening of 110°.

Lockers are available with a choice of 2 door colors. The choice for Door 1 finish is the main choice (white doors) and the choice for Door 2 finish is the accent choice (grey doors). To have the same finish on all doors, enter the same finish for Door 1 and Door 2 in the code.

1	2	1
2	1	1
1	1	2
2	1	1

#### Specification example:

Doors 1 White (BW) and Doors 2 White (BW)

Code      Base      Doors 1      Doors 2  
 LK - S43DL143671 - M BW - BW - BW

1	2	1
2	1	1

2	1	1

#### Specification example:

Doors 1 White (BW) and Doors 2 Frost (A)

Code      Base      Doors 1      Doors 2  
 LK - S43DL143671 - M BW - BW - A

### DIVIDERS

Inside horizontal and vertical dividers of open lockers can be specified with the same finish as the base or in a different finish.

#### Specification example:

White base (BW) and Frost dividers (A)

Code      Base      Dividers  
 LK - S43O143671 - M BW - A

### TACKBOARD

Tackboards can be installed behind the 44" H. lockers when they are placed against shared benching tables.

### LOCKER ACCESSORIES

---

#### Hook

Silver hooks are included in certain lockers with doors and are also sold separately .

#### Anti-Tip Fastener

It is strongly advised to add anti-tip fasteners to 71" H. lockers. This fastener is a metal bracket that can be attached to the floor (by removing the bottom of the locker) or onto a wall (by screwing on the top of the locker). Floor or wall attachment hardware is provided by the installer according to the type of floor or wall.

#### Boot tray

Black plastic trays in HIPS (high impact polystyrene) are available to protect the bottom of the locker shelves.

This is the coding system to use in the specific fields of the list price with reference to choice of colors. Some exceptions apply, see the charts below or finish charts.

 Colors, especially dark colors, may vary between Thermally Fused Laminate (T.F.L.) and High Pressure Laminate (H.P.L.).

### Prices and Payment

All prices shown in this price list are suggested retail prices and are subject to change without notice. Prices do not include installation and shipping costs. Taxes are extra. These prices are guaranteed for 30 days from the date of quotation and are firm and final after acceptance of the order. Orders are invoiced at the time of shipment. Terms of payment are net 30 days from date of invoice. Any products sold by Artopex shall remain its property until fully paid in cash. In the event that the purchaser defaults in the payment of any sum due to Artopex, or in the event the purchaser's financial condition becomes unsatisfactory to Artopex, Artopex reserves the right upon notice to the purchaser, to defer or discontinue shipment of any goods or, to refuse any order until such time as the default is corrected or the purchaser provides assurance of payment to Artopex.

### Orders

Artopex requires that all orders be submitted in writing to avoid errors and/or duplication. The purchaser is responsible to submit complete orders. Incomplete or incorrect orders (finish colors missing...) will be processed upon reception of the complete information and normal production lead-time will be applied from the date that the complete information is received.

### Acknowledgments

Orders will be acknowledged with Artopex acknowledgement forms governing the transaction. The details appearing on this acknowledgment will describe the items to be shipped to the purchaser and the ready to ship date (not the actual shipping date). It is the purchaser's responsibility to verify that the acknowledgment information is correct. The purchaser must notify Artopex in writing of any errors within 48 hours. Corrections after 48 hours could be subject to extra charges (see Changes and Cancellation).

### Changes and Cancellations

Order cancellations or changes are subject to acceptance by Artopex. Special order items and upholstered items (standard or COM fabrics) already in production are not subject to change or cancellation under any circumstances.

- A) Changes: Standard product already in production will be subject to a 25% change surcharge. Changes to the shipping date must be anticipated.
- B) Cancellations: Artopex reserves the right to invoice the purchaser for any items already in production at the cancellation date and for lost profit on the remaining items.

### Storage

Artopex reserves the right to invoice the purchaser for storage charges in specific cases.

### Shipping

- A) Prices are F.O.B. factory, collect.
- B) Artopex will choose the carrier unless otherwise specified by the purchaser. Goods will be handed over to the common carrier in good condition; Artopex liability ceases at this point. Deliveries will be done at the purchaser's unloading dock. The purchaser should have an unloading dock able to accommodate 53' trailers and must supply the unloading personnel.
- C) Claims: Artopex is not responsible for damage that occurs in transit or in storage. It is the purchaser's responsibility to examine goods upon receipt and to file any claims with the carrier. Failure to provide an adequate description of the lost items or damages to the carrier could result in the carrier's refusal to honor the charges. It is the purchaser's responsibility to obtain information on the carrier's claim policies and to send any claims to the carrier. For other policies, contact Customer Service.
- D) It is the purchaser's responsibility to file any claims even if the order has been shipped directly to the client.

### Return of Goods

- A) No merchandise may be returned without Artopex written consent and shipping instructions. If this procedure is not followed, the merchandise will not be accepted by the factory and will be reshipped collect without further notice.
- B) Goods must be returned properly packaged and all boxes must be clearly marked with the authorization number.
- C) Return of items authorized by Artopex are subject to a charge of 25% plus freight (and customs, if applicable) and repair costs (if required).

### Product Specifications

Artopex reserves the right to modify the specifications of products, materials, design or accessories without notice. Artopex also reserves the right to cease production of any product at any time. The products, accessories, materials and finishes as described in the price list prevail over the content of brochures or folders. The weights and volumes shown on the price lists include packaging and are approximations.

### Noki Lock

Mechanism and parts under warranty for 5 years, and 1 year warranty on labor.

### Artopex Warranty

**Artopex products are warranted to be free from defects in design, materials and workmanship for as long as the original purchaser owns them.**

If written notice of the defect is given to Artopex within the applicable warranty period, Artopex will repair or replace with comparable product, at Artopex's choice, without charge to the original purchaser, any part or product shipped after July 1, 2001, which fails under normal use as a result of such defect.

Non-standard products have a warranty of 1 year from the date of delivery.

On products warranted for a specified number of years of single shift usage, the warranty period will be reduced in a pro-rata manner when the products are used in a manner that exceeds the equivalent of a single shift forty (40) hour work week. Products used 24/7 or in high traffic public spaces such as airports and hospitals are covered by the warranty for 1 year from the delivery date.

This warranty is the Customer's sole remedy for product defect. This warranty does not cover damage by a carrier in transit. Artopex makes no warranties, including the implied warranties of market value or utility for a particular purpose, other than the express warranties contained herein. There are no other warranties express or implied. Artopex shall not be liable for consequential or incidental damages arising from any product defect.

#### **This warranty does not extend to :**

- Customer's Own Material (COM) or special finishes applied to Artopex products.
- Products which have been modified or have not been installed or used according to Artopex application and installation guidelines.

On products warranted for a specified number of years of single shift usage, the warranty period will be reduced in a pro-rata manner when the products are used in a manner that exceeds the equivalent of a single shift forty (40) hour work week.

This warranty is the Customer's sole remedy for product defect. This warranty does not cover damage by a carrier in transit. Artopex makes no warranties, including the implied warranties of market value or utility for a particular purpose, other than the expressed warranties contained herein. There are no other warranties express or implied. Artopex shall not be liable for consequential or incidental damages arising from any product defect.
