Choco Zebra & Brown Soft-Touch

Who says that meetings have to be austere and monotonous? Certainly not Artopex. Blending luxurious and contemporary materials, Essentia is always of the essence, giving your conference room new focus, renewed energy.

The warmth of wood, the rich texture of Soft-Touch leather, the luster of glass accents, refined metal pulls, discreet electrical access — Artopex conference collections are the picture of refinement.

Silver Walnut & Glass (central accent)

classic conference

The Classic Series gives your conference room undefinable dignity, elegance and dependability. What creates this prestigious impression? Is it the warmth and opulence of the natural wood finishes? Is it the round legs beneath the credenzas, adding an ineffable touch of nobility?

It is all of these details, these subtle touches; it is the "je-ne-sais-quoi", that elusive quality that Artopex masters to such artful effect.
