ADJUSTABLE TABLES

artopex®  
the art and the purpose

The Take Off adjustable table responds to your needs. Whether you want it just here or over there, a bit lower or a little higher, this table works with you at every level.

It's a breeze to raise or lower, whenever and wherever you want. The convenient and productive Take Off adjustable table helps prevent the discomfort of prolonged inactivity – elegantly and efficiently.

## STANDING UP

Sitting is great, but too much can be troublesome. The height-adjustable table from Artopex offers you the flexibility of standing up – without interrupting your work. Sit or stand as you like to decrease stress and increase well-being in the workplace.

Surfaces in two thicknesses, a variety of shapes and finishes, edge banding in coordinating or contrasting tones, C or T legs with or without casters – the adjustable table is so easy to customize, it will fit in anywhere for any job. For the biggest projects or the smallest details, from planning to completion – the adjustable table is always up to the task.

## UNCOMPROMISING COMPATIBILITY

Completely at ease in open floor plans, as at home in collaborative settings as in private offices, the Take Off adjustable table adapts to any situation and all surroundings. Its sleek and contemporary lines combine flawlessly with all Artopex product lines.

### AT YOUR BECK AND CALL

The intuitive control pad lets you adjust the height to suit the task. The electrical mechanism offers easy and effortless fingertip control.

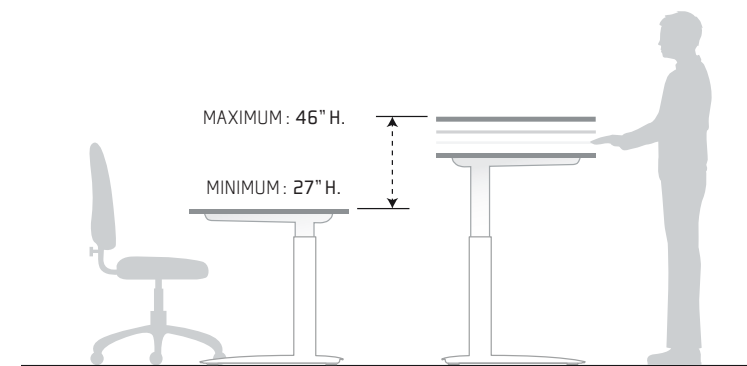

### PROFESSIONAL MOBILITY

Need a mobile workstation? For even greater flexibility, add the optional casters.

### SIMPLY INGENIOUS

All wiring is managed discretely and efficiently with cables running from the surface to the floor, adaptable cable conduits, horizontal cable trays and power connections.

Work surface height adjustment range

## DOING WHATEVER IT TAKES

Take Off adjustable tables collaborate brilliantly – with each other and with you – to get the job done. Independent enough to work on their own and perfectly suited to work in tandem, they deliver exemplary performance as a team. These tables readily adapt to the demands of the workplace, with laminate or translucent privacy panels, accessory bar and other exclusive Artopex options. Don't hesitate to assign them to the toughest tasks. Their talents never cease to amaze.

*Designing, manufacturing, advising, planning  
and supporting: that's the art that  
distinguishes our purpose at Artopex.*
