**Artopex Axel™ receives
award at the Grands Prix du Design**

Granby, February 7th, 2020. - Artopex is proud to announce that the Axel tile system has won the Office Furniture category award at the Grands Prix du Design. Axel is an innovative solution for open area layouts to create semi-enclosed workstations, multimedia collaborative areas, or private spaces for calm and concentration. The concepts of acoustic comfort, modularity, and well-being are at the heart of the development of this product.

The Grands Prix du Design gala is an annual contest that rewards the talent of Quebec designers and architects for residential, commercial, or office development projects as well as product design. For this 13th edition, some 800 guests from the industry gathered at the Casino de Montréal for the unveiling of more than 500 prestigious projects that have stood out over the past two years.

For more information on Axel tile system, visit [the Artopex website](#).

About Artopex

A growing company that has been a member of Deloitte's Platinum Club for Canada's Best Managed Companies for over 12 years, Artopex is the only Quebec manufacturer to offer a complete range of dedicated workspace furniture designed and manufactured in Quebec: wood furniture, free-standing furniture, architectural walls, systems, metal storage, and seating. Founded in 1980, the manufacturer has over 865 employees across its 6 Quebec factories and its showrooms. It's with great pride in its roots and with a commitment to its community that the family business wishes to continue its expansion.
